

*Grace Education
Ministry Highlights*

Fall 2025

“This is your most critical role not only in the culture,
but even in the kingdom, to bring up your children in the nurture
and discipline and instruction of the Lord.”

Pastor John MacArthur

Biblical Insights for Christian Parenting (May 17, 2020)

To Our Families and Partners

Thank you for your interest in Grace Education! Raising the next generation in truth and wisdom is a high and precious calling. As a ministry of Grace Community Church, Grace Education provides spiritual shade for children through trusted programs and resources that are designed to equip students to know and love God. We are eager to help support you and your families.

Christians understand that God is the author and source of truth. God's Word is authoritative, inerrant, and profitable for teaching (2 Tim. 3:16). While the world may deny this reality, believers know that truth is of utmost importance. Because we care about what is true, we care about education as a means of helping many to know, love, and glorify God.

Sometimes education is mistakenly regarded as a neutral endeavor—one that simply shares data or facts without any moral component or life application. However, Christians know that education is never truly neutral because it is always built upon a conviction (or denial) about the source of truth. We believe that education is and should be distinctly Christian. Tragically, we see too many examples of worldly education where truth is twisted and learning is weaponized into indoctrination that rejects God. There is a continuous struggle and warfare underway to captivate the hearts and minds of students. For this reason, Grace Education is committed to advancing faithful educational options that revere God as Creator and the source of true knowledge and wisdom (Prov. 1:2–6). It is our prayerful desire that many will come to know God's Word and love Him deeply.

We are blessed with an ongoing heritage of faithful teaching. For more than five decades, Pastor John MacArthur showed how the church is the pillar and support of truth, and his verse-by-verse teaching encouraged countless believers to know the Bible (1 Tim. 3:15).

Pastor John entered the presence of our Lord on July 14, 2025, but his enduring vision and the church's care for Christian education continues. Through his book, *The War on Children*, and many sermons on parenting and education, Pastor John championed Christian

education clearly and boldly, calling out worldly assumptions and encouraging parents to think deeply and with discernment about education. Pastor John urged Christians to teach their children diligently so that even their children's children may someday know and love God, befitting the great call to parenting in Deuteronomy 6.

Grace Education continues a roadmap for ongoing equipping in truth. We hope that Christians will regard biblically-faithful education as an earthly priority with a truly eternal purpose. Our ministry sustains an enduring commitment to well-designed and thoughtfully delivered Christian education that strengthens families, trains students in truth, and raises up many to love Christ. The goal of this work is all for God's glory and for the edification of the body of Christ. As seen in the Grace Education logo, all of these efforts are designed to cast protective shade with much grace for the next generation to thrive and grow in the truth of God's Word (John 17:17, Ps. 119:160).

Grace Education provides a variety of compelling K–12 education options under our banner of leadership and care, which includes home-based (Faith Christian PSP), hybrid (Grace Academy), and on-campus (Legacy Christian Academy) learning models. We also have dynamic projects underway including the development of K–12 school curriculum—beginning with a Bible Curriculum—as well as partnerships with ministries such as The Master's University and Seminary forming part of a complete K–through-university pathway.

It is our joy to strengthen Christian education. We are excited to partner with you in this worthy work of equipping families to raise children in the nurture and admonition of the Lord. Thank you for your prayerful partnership and vital support that helps to sustain these efforts.

The Purpose of Grace Education

Mission

Grace Education serves as a banner of care and leadership over an exciting K–12 Christian education portfolio. Grace Education works to support and advance these vibrant educational places, programs, and partnerships as part of Grace Church’s ongoing commitment to faithful teaching, biblical leadership, and the provision of ongoing spiritual refuge and truth for families.

Vision

Grace Education supports raising the next generation for the church through Christ-centered education, striving to ensure that students embody this mission as they demonstrate Christian character and faithful learning.

Graduate Profile

Grace Education seeks to serve students and programs known for:

- A** Adoring Jesus Christ
- B** Believing in Scripture
- C** Cultivating Academic Excellence
- D** Developing Biblical Wisdom
- E** Equipping Servant Leaders
- F** Following Godly Examples
- G** Growing in Grace

Faith Christian PSP

Faith Christian PSP is a flexible and primarily home-based option that meets on Fridays at Grace Community Church. This co-op provides classes, chapel, Bible instruction, and enrichment courses. Faith PSP also includes on-site support and fellowship for parents through Moms' Time, field trips, and special events.

Grace Academy

Grace Academy is a hybrid instructional program with campuses in both the San Fernando and Santa Clarita Valleys. Professional teachers offer classroom instruction 2-3 days per week and guide parents to direct learning during at-home days with a curated curriculum. Grace Academy includes chapel and Bible instruction, music and art, field trips, and special events.

Legacy Christian Academy

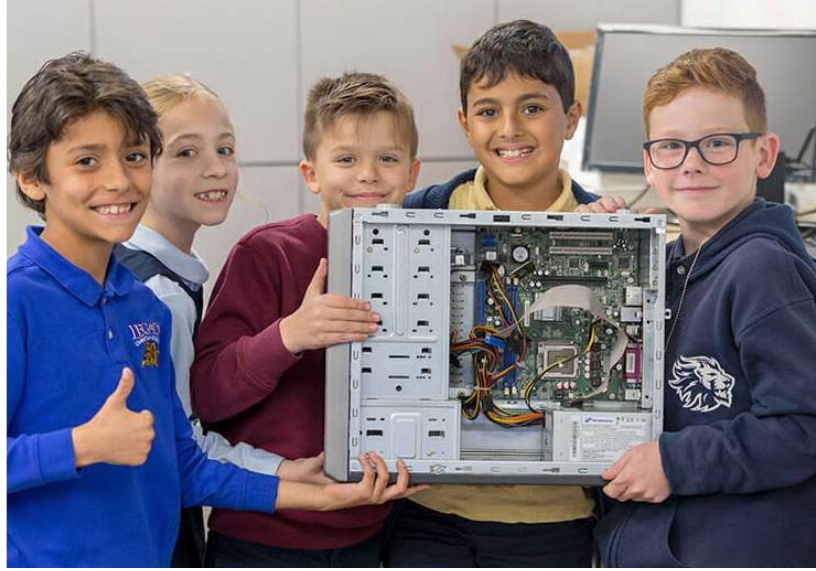

Legacy Christian Academy is a traditional site-based school located in the Santa Clarita Valley. Legacy offers college-preparatory classes, weekly chapel and Bible instruction, and a wide variety of extracurricular activities including sports. Professional faculty utilize comprehensive curriculum to encourage students' academic and spiritual growth and the development of Christian character.

house and when you walk
by the way and when you lie down
and when you rise up.”*

K-12 Curriculum Project

Preparing students to love Christ, know Scripture, and grow in wisdom through biblical and academically excellent K-12 curriculum

K-12 Bible Curriculum Distinctives

Built Upon a Rich and Uncompromising Theological Heritage

Shaped by God's Word and a Clear Systematic Theology

Designed to Integrate Scholarship and Worship

Intended to Develop Christian Disciplines

Formulated to Prepare Students for Further Study

Grace Education is currently developing a comprehensive K-12 Bible curriculum, designed to provide a thorough and structured approach to studying God's Word. With a cohesive, engaging sequence, these materials aim to serve both schools and families with faithful Christian curricular options. Our goal is to equip students with a deep knowledge and love of Scripture, helping to raise up the next generation for Christ and His church.

There is a need for trusted Bible content that can be used across a variety of school settings and learning modalities. In response to many requests from homeschool educators and classroom teachers, we are incorporating the sound doctrine, systematic theology, and trusted teaching of Grace Community Church and its related ministries. Our curriculum is designed to be biblical, academically excellent, and accessible—embedding the Bible as foundational to academic study. We are committed to preparing students to be faithful, wise, and godly servants of Christ.

Planning for additional core academic subjects is in the early stages, while the K-12 Bible curriculum project is well underway with initial lesson samples scheduled for release later in 2026. We appreciate your prayers, encouragement, and support as we pursue this work with excellence and integrity, trusting in God's strength and provision in every step. Grace Education is committed to the long-term development of high-quality Christian education resources and is excited to debut with trusted K-12 Bible curriculum. Stronger Together

The ongoing impacts of the Grace Education ministry are marked by collaboration, growth, and a deepening unity between schools and partners as part of a shared commitment to Christ-centered learning. The following highlights note a variety of current and upcoming efforts to advance this work:

1

Caring for School Directors

- Holding regular check-ins to offer encouragement, help, and administrative guidance
- Hosting recurrent Leads Lunches to discuss common projects and collaboration
- Attending conferences, such as the Herzog Foundation, ACSI, and CESA

2

Encouraging Teachers

- Celebrating teachers at a Spring Teacher Appreciation Lunch to bolster educators in both Christian and secular settings
- Conducting various professional development trainings at each school

3

Equipping Families

- Ensuring a Grace Education presence at various school events, such as Parent Orientations, Back to School Nights, Open House Events, etc.
- Leading an annual Grace Education Enrollment Fair to highlight program distinctives and admissions processes
- Connecting with families and pastors through events such as Grace for the Children Sunday, Family Fair, Teach Them Diligently, Shepherds Conference, etc.
- Sharing insights with a Sundays in July panel on education and discussion of artificial intelligence with Faith PSP

4

Sharing Opportunities

- Moving forward on several pilot projects including a TMU group tutoring cohort in Sun Valley, support for special education students through Grace Academy, and an interschool sports partnership with Legacy
- Advancing extracurricular and cocurricular options

5

Developing Curriculum

- Working with TMUS contributors to prepare K–12 Bible curriculum lessons and activities for various school settings
- Preparing sample K–12 Bible lessons for debut at ShepCon 2026 in anticipation of future sales
- Organizing online education options to support biblical language training for grade school students
- Outlining future strategies for K–12 academic curriculum for core subjects to be used in homeschool, hybrid, and site-based school settings

6

Promoting the Grace Education Mission

- Preparing Grace Education webinars to highlight timely updates and opportunities to connect and partner
- Envisioning future education convenings that strengthen pastors, parents, and practitioners
- Connecting with pastors from other churches who are looking to learn more about Grace Education models and considering how to care for Christian education in their communities
- Promoting educational pathways, including the development of a K-through-university pipeline and connections with TMU staff and students
- Identifying how to assemble resources from Grace Education and other ministry partners for services such as advisement, testing, tutoring, dual enrollment, etc.
- Expanding relationships with other schools nationally and internationally to share best practices, student correspondence, and ideas to collaborate
